We have so many impressive interns!
Lucky us! Meet them.

Welcome to our 2020 Summer Interns! It's an unusual year with no in-person activities like bike valet or tabling at the Farmer Market but we're making it work. On Zoom! We are thrilled to have our interns contributing to GreenTown's 500 Trees campaign, our social media marketing presence and researching recommendations on climate action for Los Altos. Learn more about them at [this link](#).

Plastic free for a month! How about July?

We can all do this, right?

It's Plastic Free July, will you give it a try? It's a simple way to show that even during a pandemic we need to do our best to shun plastics whenever we can. Read about it [here](#) and register to join [here](#).

EV choices driving you crazy?

Park that thought and read this!

Considering buying an Electric Vehicle (EV)? Well now is a better time than ever with so many choices, so many resources and so much time to investigate the choices. Here's some info you can use, compliments of a workshop run by Acterra. Read about it [here](#).

Got a bike?

Essential workers could use it.

We're short on bikes for #BikeMatchSV. If you have a bike in your garage or in your backyard, [email us](#). We may be able to come and get it and put it to good use for essential workers. We appreciate it and so will they!

So much single use plastic. Sigh.

How'd we get here? Wanna be part of the solution?

The Story of Plastic is a new documentary describing how we've become so addicted to plastic and some of the injustices behind this complex problem. Learn more and take steps to help! Read more [here](#).
