

GO GREEN SERIES

GETTING TO ZERO WASTE What Goes Where and Why it Matters

MARCH 17, 2026
7:00 PM - 8:30 PM

Event Highlights

"Can I recycle this?"

If you've ever paused mid-toss, this event is for you. Kick off GreenTown's Spring Go Green Series with an engaging event about reducing waste and recycling smarter.

- Watch an **short film** on why reducing consumption matters
- Get the scoop on local waste reduction and recycling policies
- Hear from **Mission Trail Waste Systems** - our waste and recycling experts

Leave feeling more confident—and more motivated—to consume less, reduce waste, and recycle and compost more effectively. Questions? Email info@greentownlosaltos.org.

Series Highlights

- March Zero Waste** ◀
- April Electrification** ◀
- May Pollinators** ◀
